## **MELIS ERZEN**

Hello. I am a first class student. And i will write something about myself.

Firstly, my interest's are playing computer games, reading books, watching anime or series, listening music and absolutely sleeping. Also I like cook. But most of my time, I play computer games. I do love games. I can find myself when I play games or watching animes. They open another world's doors to me. I am a little bit asocial I guess. But I i am debonair most of time.
